

## **Listen and Do**

Listen, listen  
We'll play a game  
When I snap my fingers, call out your name.

Listen, listen  
Put one hand on your head  
Now with the other hand point to something red.

Listen, listen  
Put one hand on your shoes  
Now with the other hand point to something blue.

Listen, listen  
Put both hand behind your back  
Now with two hands point to something black.

Listen, listen  
What do we hear?  
It's a lot of friendly noises as we give ourselves a cheer.

(applaud, round of applause, sign language, clam claps)

## **TOUCH YOUR NOSE**

Touch your nose  
Touch your chin  
That's the way this game begins.

Touch your eyes  
Touch your knees  
Now pretend you're going to sneeze.

Touch your head  
Touch your ears  
Touch your two red lips right here.

Touch your elbows where they bend  
That's the way this touch game ends.

## OPEN THEM, SHUT THEM

Open them, shut them  
Open them, shut them  
Give a little clappity, clap, clap

Open them, shut them  
Open them, shut them  
Put them in your lapity, lap, lap

Creep them, crawl them,  
Creep them, crawl them,  
Right up to your chinny, chin, chin

Open wide your little mouth,  
BUT DO NOT LET THEM IN!!!

## Chester Have You Heard About Harry

## My Hands Upon My Head

Oh my hands upon my head I'll place  
Upon my shoulders, on my face  
At my waist and by my side  
And then behind me they will hide.

And I will raise them way up high  
And let my fingers fly, fly, fly.

Then clap, clap, clap  
And one two three,  
Let's see how quiet they can be.

## **I Had a Little Puppy**

I had a little puppy  
Skinny as a rail  
He had fleas all over his tail  
And every time his tail would flop  
The fleas on the bottom would hop on top!
