CLDDV 160: Introduction to Children with Special Needs  
Laffranchini, Professor

Chapter Presentation Assignment  
35 points  
Due 4/16 (some will present on 4/23)

- Each team has chosen a chapter from the textbook
- Each team will create a powerpoint of the chapter
  - Minimum 7 slides for the team
  - Additional 1 - 2 slides per individual on the team
    - Summary of the article they researched
  - You MUST follow the 6/6/36 rule
    - No more than six lines
    - No more than six words per line
    - No more than 36 words per slide
  - Consider using pictures in your slides
  - You may want to consider a brief youtube video, no more than 2 minutes per team
- Each team will present for 7 TIMED minutes
- For each chapter or topic, the team will present a “fact sheet” about the disability. At the bottom of the “fact sheet”, include resources available, including community resources, internet sites, and support groups
- Bring in a hard copy of your powerpoint presentation, no more than three slides per page

- The “Final” will consist of questions derived from the presentations
  - Students are encouraged to take notes during presentations
  - Students may use notes they have taken during presentations for the final
- The “Final” will be given immediately following the last team presentation
